

Established in 1967, the Co-operative Young Leaders (CYL) program aims to develop, strengthen and recognize youth leadership within the co-operative sector. With the co-operative principles at the heart of the program, this week-long initiative brings together young people aged 13-18 from all across Ontario. Participants learn about, and practice, co-operation, communication and leadership through activities and community projects. Please visit www.cyl.coop for program information.
